HPSU and Société Générale

Main information

- HPSU decided to sign a partnership with Société Générale as it offers the best conditions. However an HPSU club can choose to join any bank.
- An HPSU club's bank account will be a branch account with autonomous access and functioning.
- If you decide to delegate power to the HPSU President and/or Treasurer, HPSU will provide **administrative support** especially with the bank account transfer to new club's Board at the end of each mandate.
- To open or maintain a club's bank account, the President and/or Treasurer must be individually registered as costumer(s) of Société Générale. Some advantages have been negotiated if joining Société Générale individually:
 - 40 € are offered when opening a checking bank account + 40 € if the account is active 6 months after opening,
 - 30 € are offered when opening a saving account (Livret A ou Livret Jeune) + 30 € if the account is active 6 months after opening,
 - Sobrio option at 1 € per month while remaining a student.
