Subject : HANG GLIDING – EUROPEAN & WORLD RECORD ATTEMPT

Dear Christine,

We have the pleasure to hand over to you the European & world record claim of the following pilot

Name: Jochen ZEISCHKA
Kwalestraat 18A, B-9420 BAMBRUGGE - Belgium
FAI-Sporting licence O/3601
CIVIL ID: 15187

Flight details: 13 AUG 2021
Class: O, Sub-class: 01 – Category: GEN
Triangle – Speed – 50,00 km
Claimed performance: 59,67 km/h

The flight was announced in conformity and was on site controlled by a Belgian OO, with approval in advance of the FFVL.

The related documents were posted the FFVL for an initial check and they forwarded the documents to the RBAC for further examination.

The flight documents were dully and profoundly checked by the RBAC-Sport Committee on November 17th, 2021. The Committee declared the performance valid and registered the attempt as a national record.

Will you please take care of the final validation of this proposed European and world record.

Many thanks & best regards,

20/11/2021

X
