

Dear Star Sailors friends,

Last year, we invited you to the 1st WOODEN STAR CUP, but the pandemic did not allow us to realize this regatta.

Our motivation is intact, our project even more successful, and, as the sanitary conditions are more clement, we are happy to announce that this magnificent event will take place from the 4th to the 6th of June!

All wooden Stars are welcome for 3 days of regattas on the water used for the 1924 Paris Olympic Games.

This premiere will take place on Saturday and Sunday with the VOILES AU FIL DE L'EAU, one of the major gatherings in France of classic boats, with nearly 50 boats. On Monday, only the Stars will race the final rounds, before our prize-giving ceremony.

The atmosphere we want to give to this WOODEN STAR CUP is that of a gentlemen's event sharing the pleasures of sailing, an art of living where beautiful races are followed by moments of pleasure ashore, cocktails, racers' dinner and garden party within the YACHT CLUB de L'ILE DE FRANCE, a historic French club.

We will send you the detailed program in the next few days, with a full list of accommodation options and race instructions.

We are of course at your disposal to help you organize your stay, and look forward to seeing you!

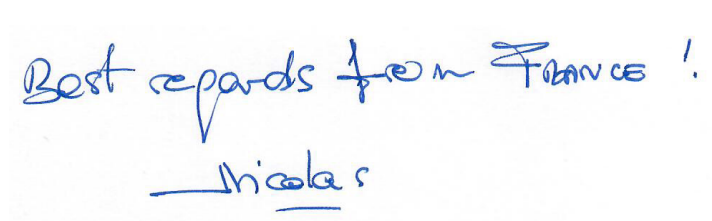

Come in large numbers, to contribute, with us and the other clubs (especially Zurich) to the development of Wooden Stars regattas in Europe! Already 5 boats are pre-registered...
