PLANTING SONG

Working on the farm all day long
Everybody sings the planting song!

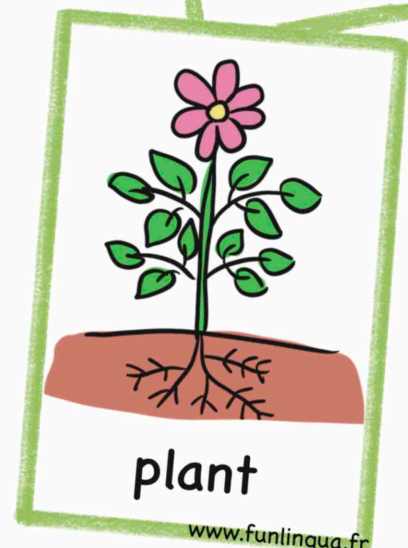

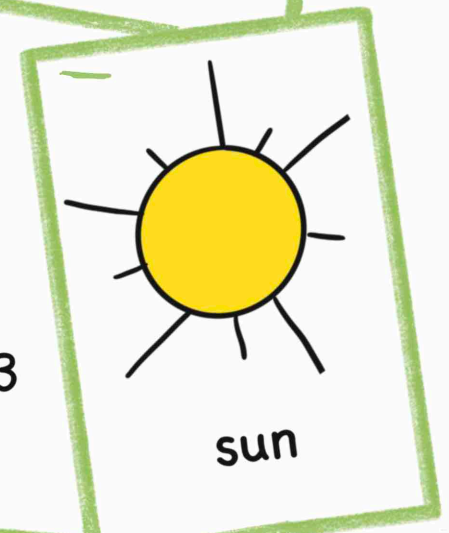

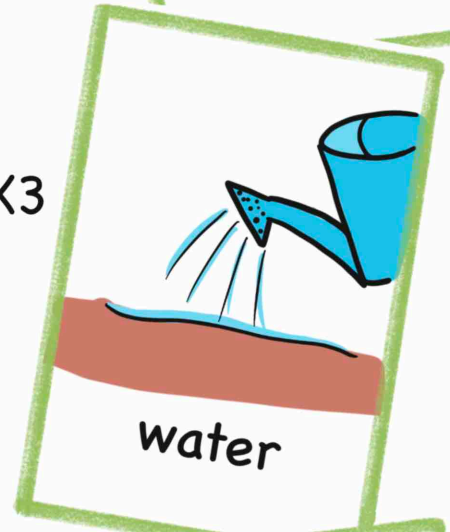

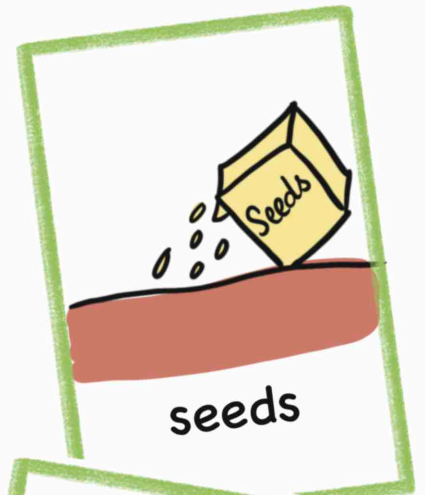

First you take the seeds
And you put them in the ground. X3

Then you take the water
And you pour it all around. X3

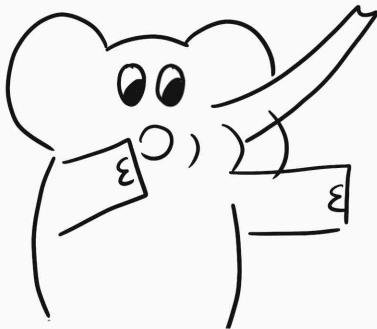

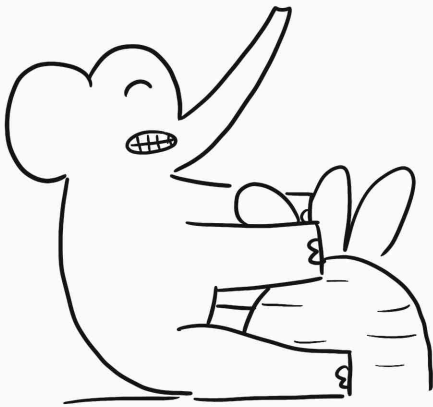

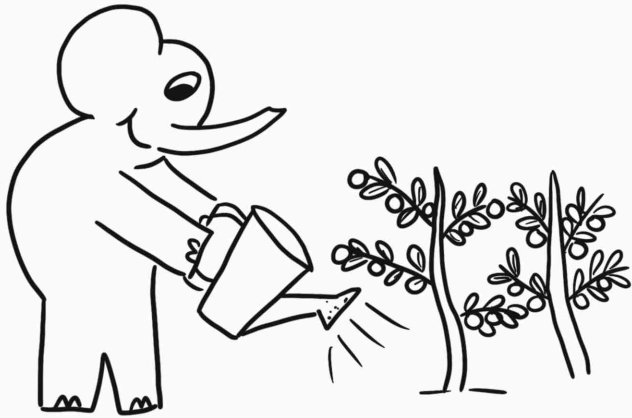

Then the sun comes out
And shines bright in the sky. X3

Finally the plant grows big
And all the flowers bloom all nice. X3

Working on the farm all day long
Everybody sings the planting song!
