

INTERNSHIP OFFER

Are you passionate about agriculture and rural development? Are you interested in the effect of networks on stakeholder involvement to improve policy in rural territories?

This internship is for you.

We are recruiting 2 interns in the Agriculture, Rural Development and Environment Department from September 2022 for a period of from September 2022 for a period of 5 to 6 months.

ADE is one of Europe's leading public policy evaluation consultancies, based in Louvain-la-Neuve (visit our new website <https://ade.eu>)

ADE supports decision-makers in the formulation, monitoring, implementation and evaluation of public policies and strategies.

Our areas of specialization include

- Agriculture, rural development, and environment
- Strategic and impact assessments
- Macroeconomic reforms
- Development finance and private sector development
- Conflict resolution, security, and fragility

We are currently looking for an intern to participate in the evaluation of the European Rural Development Network (ERDN) and the National Rural Networks (NRN).

WE OFFER

- A challenging internship, as part of your studies
- An opportunity to gain experience within a leading evaluation team in the field of high-level public policy and strategy.
- An opportunity to gain experience of working with large international organizations, such as European institutions, cooperation agencies and development banks.
- An opportunity to work in an international environment with highly qualified colleagues.
- The opportunity to develop your skills as a professional consultant and apply them to a range of different sectors, in Europe and/or worldwide.

MAIN RESPONSABILITIES

- Participation in case studies: France, Belgium of the evaluation of the contribution of the European Network for Rural Development (ENRD) and the National Rural Networks (NRN) to the implementation of the EU Rural Development policy 2014-2020.
- Literature review
- Data collection
- Support for the implementation of surveys
- Interviews and reporting
- Analytical support for case studies

PROFILE

- **Knowledge of the PAC** in particular rural development
- Interest in territorial development;
- **Student studying for a bachelor/master's degree in economics, agronomy, geography, or other related fields**
- Knowledge of evaluation would be an asset;
- **Excellent level of written and spoken French; knowledge of English is an asset**
- Good command of the main computer programs (Word, PowerPoint, Excel)

MAIN SKILLS REQUIRED

- Good writing and synthesis skills
- Interpersonal skills and team spirit;
- Organisational and planning skills.

HOW TO APPLY?

By email - applications on job boards will not be considered.

Interested candidates are invited to send their application (**CV and one page cover letter**) in English to laurence.quintens@ade.eu as soon as possible and **before 15 July 2022**. Applications can be processed as soon as they are received. **Please specify the possible start date (early September at the latest) and the possible duration.**

Only successful candidates will be contacted.

Rue de Clairvaux 40, bte 101 - B 1348 Louvain-la-Neuve
