

INISS
nano

International Nanosafety and Nano- standardization: Status, Gaps, Needs and the Role of INISS

WORKSHOP

📅 16 February 2023

🕒 8:00 - 11:50 CET

📍 Online

Agenda

[Registration link](#) & [Meeting link](#)

Moderator: Andreas Falk, BioNanoNet Forschungsgesellschaft mbH

- 8:00 Welcoming Address and Brief Introduction of INISS** by Ali Beitollahi
- 8:10 EU-Asia Dialogue on Nanosafety and Nanostandardization; Aims and Collaborations Prospects** by Alexander Pogany
- 8:20 Introduction of INISS „Harmonization and Standardization“ Pillar: Aims Activities and Programs** by Steffi Friedrichs
- 8:35 Needs and Gaps on Nanosafety Standardization; ISO/TC229 Perspective** by Denis Koltsov (Chairman of ISO/TC229)
- 8:55 Overview of OECD WPMN Activities and Programs on Nanosafety and Nanostandardization; Potential Collaboration with INISS** by Monique Groenewold (Chair of OECD WPMN)
- 9:15 VAMAS – Programs and Activities; Potential Collaboration with INISS** by Fernando Castro (tbc) (Chair of VAMAS)
- 9:35 Malta Initiative; Activities, Aims; Collaboration Perspective with INISS** by Alexander Pogany
- 9:50 Break**
- 10:05 How to Identify and Frame the Needs and Gaps on...**
 - ✓ Capacity Building/Clustering ✓ Nano Characterization
 - ✓ Harmonization ✓ Inter-lab assessment

Interactive Discussions by Participants
Web-based questionnaire (tbc) by Ali Beitollahi
- 10:55 Discussions on Steps Ahead and Q&A**

Panelists: Georgios Katalagarianakis, Ali Beitollahi, Steffi Friedrichs, Georges Favre, Denis Koltsov, Monique Groenewold (Moderator: Andreas Falk)
- 11:35 Closing Remarks and Group Photo** by Andreas Falk

Please note: this is a preliminary agenda - titles and speakers might change.
