# Genesee GOP committed to standing strong on Core Values and Principles

The Genesee County Republican Party recently adopted a resolution confirming their commitment to the principles laid out in the U.S. Constitution, the Declaration of Independence, the Michigan Constitution, and the Republican Party Platform. The resolution calls on all Republican elected officials, delegates, and supporters to stand firm in defense of these founding principles.

“Our basic rights as Americans are under increasing attack each and every day,” said Jay Fedewa, Chair of the Genesee County Republican Party. “When we see government officials intent on silencing political opponents through any means necessary, restricting individual freedom of speech and association, and coordinated efforts to restrict our foundational rights, this strikes at the core of what makes us Americans.”

The resolution also calls for all Genesee County Republicans to stand united against the principles, ideals, and beliefs held by the Democrat Party. As has been increasingly seen in recent years, liberals will stop at nothing to send the economy into a tailspin, pick corporate welfare winners and losers, stifle the free speech of those with differing opinions and principles, restrict the right to self-defense, glamorize the taking of innocent lives of unborn children at all stages of development, and weaponize government agencies to accomplish their political agenda.

“As we look ahead to 2024 and beyond, let’s continue to stay focused on our common goals as Republicans; fighting to preserve our God-given rights, liberties, and freedoms for our children and grandchildren to enjoy,” Fedewa said. “Join with us as Genesee County Republicans as we stand in unwavering support and defense of America’s core founding principles as stated in the Declaration of Independence, the U.S. Constitution, and the Michigan Constitution.”

The Genesee County Republican Party meets the first Thursday of every month at 7:00 PM. Meeting details and more information can be found at their website, [www.GeneseeGOP.org](http://www.GeneseeGOP.org) or by following them on Facebook @GeneseeCountyRepublicanParty.
