# A PROJECT FOR 2023

From the "5000 cadets for 2007" model:

- Youth from the amateur world-not elite
- All departments
- Attend World Cup matches
- Final for the Little Final of the World Cup
- Rewards abroad and in Paris for the winners for the 6 Nations Tournament 2024

But different because :

- Male and Female
- A social and societal project (Little Princes, ...)
- With more injured players
- By associating the terroirs (Agricultural High Schools)
- 3 foreign teams
- With strong links to the host leagues and clubs as a key moment for French rugby

# A common project : to offer dreams and create links between young rugby players and young disabled people : THE FIFTEEN AND THE SKY

Beyond the difference, so that dreams can come true !

"One can only see well with the heart - the essential is invisible to the eyes"  
(A. de Saint-Exupéry)

**THE HEART :** The reason for the project

**THE BODY OF THE PROJECT :** The common values in honor and the moral forces and the team spirit unite them

**THE DREAM :** The imaginary in the line of sight

To bring together the \*Amicale du Tournoi des VI Nations\* and \*Les Ailes du Petit Prince\* to invent actions in favor of young people affected by disability, in order to stimulate their imagination and their desire for the future

The Amicale invites young players and brings matches

Les Ailes du Petit Prince invite disabled children and offer flights

Dreaming by the field and by the sky: participating in a match, flying, writing and meeting to build friendships

**ACTION :** Altruism as a guideline

Je vous souhaite  
une Vie Remplie de "Je Veux"  
de la Saufé à sauter dans les Flagues,  
des Diamants brillants dans vos  
yeux émerveillés d'Enfants de l'Amour  
à s'en gaver avec des Tonnes de papiers.  
de la Folie dans vos Rêves de l'Osiez  
dans le Cœur des milliers de  
Papillons volant pour Toucher les Etoiles  
et du RIRE à n'en plus finir

# THIS PROJECT IS NOT JUST ABOUT SPORT

It's a project of social and societal link which wishes **to gather** beyond the differences and the borders :

- **young people** who do not play in high level
- **Rugby's injured persons**
- young people with life **disabilities**
- young people in **agricultural high schools**
- young **European players**
- **volunteers** and **partners** ...

# THIS PROJECT IS AN **OPPORTUNITY** FOR AMATEUR RUGBY ...

- it mobilizes the 100 departments!
- It's male and female!
- for the men's tournament, it gives more chances to everyone than an inter-league tournament
- it can be a vector in the rugby schools
- it can allow the launch of actions as early as 2022
- It allows the mobilization of "young boys born in 2008 and young girls born in 2006"
- It's a vector for winning back the number of members!
