

"Why Don't You" by Marty Rivers

Why don't you come back to me babe why don't you
If you long for a love that's tried and true
Don't you ever feel guilty that you broke my heart in two
Why don't you come back to me, why don't you

I'll be waiting here if you should ever change your mind
For I believe, right or wrong, it's with you where I belong
I am begging on my knees, if you could only hear my plea
So won't you dear come back to me

Why don't you come back to me babe why don't you
If you long for a love that's tried and true
Don't you ever feel guilty that you broke my heart in two
Why don't you come back to me, why don't you

If you return to me, I will treat you like a queen
I promise I'll always be true if we could start anew
I'll make you happy as can be, oh my darling wait and see
So won't you dear come back to me

Why don't you come back to me babe why don't you
If you long for a love that's tried and true
Don't you ever feel guilty that you broke my heart in two
Why don't you come back to me, why don't you

Why don't you come back to me babe why don't you
If you long for a love that's tried and true
Don't you ever feel guilty that you broke my heart in two
Why don't you come back to me, why don't you

Why don't you come back to me, why don't you
Why don't you come back to me, why don't you
