

Call for candidates

European Association for Infant and Adolescent Psychopathology (AEPEA)

2nd European research seminar in child and adolescent psychopathology

Thursday the 28th of May 2020, Versailles, France

The European Association for Infant and Adolescent Psychopathology wishes to support the development of high standard research in the field of child and adolescent psychopathology by creating an interactive seminar addressed to young researchers interested in psychopathology.

The seminar will be open to participants from all European countries. Participants will have the opportunity to assist to main lectures by leading authors in the field of psychopathology and will be able to discuss their ongoing research projects in small working groups under the supervision of experienced researchers. Working groups will be organized on specific topics so to encourage networks between research teams.

Candidates should be young researchers (psychologists or psychiatrists at a graduate or post-graduate level) members of a research team and interested in developing a research project in the field of infant, child or adolescent psychopathology.

All topics are receivable. For each topic, proposals on infants, children and adolescents are welcomed.

The seminar will last one day and will be held in **Versailles, Thursday the 28th of May 2020**. The seminar will be free of charge. Participants will be also invited to the European Congress of the AEPEA who will be held in Versailles the 29th and the 30th of May 2020.

The seminar will be in English and/or French according to the preferred languages of the participants.

Proposals should be written in structured form (Topic, Aims, Methodology, Provisional duration, Prospective funding, Team leader, Possible collaborations, Open questions, Preferred language of presentation) and addressed, with a short *Curriculum Vitae*, by e-mail **before the 31st of January 2020** to:

Administrative secretary of the research seminar (Prof. M Speranza):

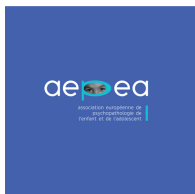

E-mail : supea@ch-versailles.fr / msperanza@ch-versailles.fr

The acceptance of the application will be communicated to participants before the **29th of February 2020**.

Financial facilities (travel expenses and accommodation) will be offered to 2 participants selected by the organizing committee based on the quality of the submitted project and the country of residence. For the other participants, a financial support will be discussed with the national AEPEA sections of the candidates.

The organizing committee of the AEPEA research seminar: Mario Speranza (President), Olivier Bonnot, Lisa Ouss-Ryngaert, Jacques Dayan, Bérangère Beauquier-Maccotta, Jean Chambry, Estelle Louet.

Administrative secretary (Prof. Mario Speranza): E-mail : supea@ch-versailles.fr / msperanza@ch-versailles.fr

Association Européenne de Psychopathologie de l'Enfant et de l'Adolescent
